

Welcome to Diamond Flight Center

Operated by Dr. Ron Smart and Ed Helmick

We are totally committed to the goals of our students and renter pilots, whether you are flying for pleasure, business or career achievement.

We offer state-of-art flight training in a new aircraft fleet composed of Diamond Aircraft DA20-C1 Eclipse, Arrow III and soon a Piper Seminole

Our Flight Instructors are selected and supported to share our vision and commitment to our customers, for their personal success.

Aircraft rental is available to enable pilots to share the joy and utility of flying Modern 21st-Century airplanes with relatives, friends and associates.

The dream is alive at the Diamond Flight Center of Spanish Fork!

Diamond DA20-C1 Eclipse All-in-one flight training aircraft. Safe, economical & reliable trainer.

Piper Arrow

The perfect complex trainer. get ready for your commercial or CFI check ride today. Also with 200hp it is a great x-country bird.

Piper Seminole Coming soon to DFC. The Piper Seminole is the perfect light twin trainer. With low costs it will be great for multi training as well as time building. Call today for more info.
