

Interview Prep Pricing

Class fees are \$250.00 USD and are subject to change at anytime prior to enrolment. Classes with simulator instruction are an additional \$75.00 USD for three hours of instruction. Note that instruction price is for time and use of simulators at our facilities in a Frasca 142. If pilots have access to simulators at other locations, the instruction fee is the same and the student will be responsible for payment of the device at that location. Group discounts may apply. Please inquire when contacting us.
